8/27/72 Dear Jerry, With so much happiness to bring to so many, I am sure you can understand that I couldn't make enough copies. Therefore, soulx of "good conscience" that you are - you do say so yourself - please send this to Gary when you read it. He may not have a copy of Graham's today's piece. I am sure you will make the day on which he gets it if you make a xerox for him. Make everybody happy! Harold. cc Gary Schoener.
